County Reports (Reported by MHCC and Operational Areas)

Contra Costa

- Health Order Requiring Face Coverings was released July 7, 2020. This Order requires that all individuals in Contra Costa County wear face coverings in accordance with guidance issued by the State of California.
 - The Order is subject to the exemptions set forth in the State Face Covering Guidance, including but not limited to exemptions in industry guidance documents issued by the State of California.
- Health Order Update Mass Quarantine Order was released July 7, 2020. This order supersedes HOCVID1912 (May 13), the order requiring the quarantine of persons exposed to a person diagnosed with COVID-19. Quarantine separates individuals who were exposed to COVID-19 from others, until it is determined that they are not at risk for spreading the disease.
 - This order updates the description of close contacts to include anyone who has been within six feet of a person with COVID-19 for at least 15 minutes during the infectious period.

Los Angeles

- The City of Los Angeles is returning 40 trailers to the state for redistribution.

Stanislaus

- Noted increase in positive cases continues to impact the County. Stanislaus County is currently on the State's monitoring list along with 22 other Counties at the time of this report. Masking order is back in effect for workers who deal with the public, as is the recommendation for all County residents to wear masks when in public or around others. EOC activation is back at level one with County OES taking on Section Coordination roles in support of Public Health expansion. Public Health is exploring an organizational revamp to improve process efficiencies for COVID-19 related work.
